### Decision made

Cabinet Members making the decision	Councillor Martin Goddard - Cabinet Member for Finance Councillor Jonathan Bianco - Cabinet Member for Property, Highways & Transport
	<p><b>Approved</b></p> <p>That the Cabinet Member for Finance and the Cabinet Member for Property, Highways and Transport:</p> <ol style="list-style-type: none"><li>1) Accepted the tender and approved the award of contract for the replacement and installation of fire doors for Phase 20 to Gerda Security Products Limited at a cost of £256,791.98; and</li><li>2) Agreed to the Capital release requests of £295k from the Fire Safety Workstream within the Housing Revenue Account Works to Stock Programme 2022/23 capital budget for the replacement and installation of fire doors for Phase 20.</li></ol>
<b>Reason for decision</b>	Fire risk assessments were undertaken and the report recommended that several main entrance doors of properties do not meet with the current fire regulations and would not provide appropriate protection in the event of a fire. Following these

	<p>recommendations, officers were required to upgrade all the main entrance door sets to FD30s.</p> <p>Replacing the main entrance doors to FD30s would mean that all doors would have 30 minutes resistance within the event of a fire and would be compliant with fire safety regulations.</p>
<b>Alternative options considered and rejected</b>	No other options for carrying out these works were considered.
