<b>Title of decision</b>	<b>Early Years Childcare Review</b>
<b>Reference No.</b>	563
<b>Date of decision</b>	Thursday 4 August 2022
<b>Call-in expiry date</b>	<b>SPECIAL URGENCY</b> <b>N/A – This decision comes into immediate effect</b>

### Decision made

Cabinet Members making the decision	The Leader of the Council, in conjunction with the Cabinet Member for Children, Families and Education
	<b>APPROVED</b>  <b>That the Leader of the Council and the Cabinet Member for Children, Families &amp; Education approved ceasing provision of early years childcare [0-5] at Uxbridge Early Years Centre, Nestles Avenue Early Years and Children's Centre and, South Ruislip Early Years and Children's Centre with effect from 31 December 2022.</b>
Reason for decision	The Council has operated three Early Years Centres which, despite several attempts to improve their viability, have continued to operate at a loss. The Council's direct provision amounts to 1% (current occupancy) of the capacity in Hillingdon. A review of the sufficiency in Hillingdon has determined that the wider early years market can absorb the provision directly provided by the Council.  Previous reviews of the Council's early years provision have implemented changes to service delivery, including a staffing restructure in 2020, designed to move the provision to a more viable model of operation. However, this has had limited success and the centres are not financially viable, with the service continuing to operate at a deficit across all three sites.

	<p>In parallel, the market has developed sufficient capacity to meet the entire demand, 96% of which is rated good or outstanding. The impact of the pandemic on this market has also reduced the overall demand, due to alternative options for childcare resulting from changing work patterns.</p> <p>The Council has a statutory responsibility to ensure sufficiency of childcare for residents, but there is no requirement for the Council to directly provide these services.</p> <p>Considering the report and recommendations from officers, Cabinet Members, therefore, agreed that the Council should cease operating its three Early Years Centre sites.</p> <p>It was noted that ceasing the provision of early years childcare at this particular time would ensure that a planned transition for children and families to the wider availability of childcare can be managed with minimal impact. It was noted that support will be provided by the Council to families about the types and availability of childcare.</p>
<b>Alternative options considered and rejected</b>	<p>Cabinet Members could have decided to continue to deliver Early Years provision from the three centres but this was not deemed viable due to their operating at a deficit and there being sufficiency in the Borough.</p> <p>Cabinet Members could have also released the services to be delivered by the private sector, but considered that this would likely be commercially feasible for one out of three of the sites, considering factors such as building conditions and high levels of existing alternative provision in their proximity.</p>
