### RECOMMENDATIONS

That the Cabinet Member:

1. Notes the responses received to the formal consultation undertaken in The Avenue, Northwood regarding the proposal to extend a parking place.
2. Instructs officers to defer these proposals at the current time.

These recommendations are in line with the views expressed during the formal consultation.

## **Alternative options considered / risk management**

## **SUPPORTING INFORMATION**

1. The Council received a request from a resident to increase the parking available in The Avenue, Northwood, within the Northwood Parking Management Scheme.
2. The Avenue has been part of the Northwood Resident Parking scheme since 2019. The scheme operates Monday to Friday 1am-2pm and is a combination of waiting restrictions and marked bays.
3. Officers investigated the current parking situation in The Avenue to try and identify if any additional parking could be accommodated without affecting the flow of traffic. The only opportunity was to possibly extend the parking place opposite Nos.7-9 The Avenue by five metres to accommodate another vehicle. These proposals were then prepared for a formal consultation.
4. The formal consultation lasting for a period of 21 days was then undertaken, where a letter was sent to properties in the vicinity of the proposals informing them of the Council's intention to possibly extend the parking place. During this period street notices were erected and public notices were placed in the London Gazette and a local newspaper.
5. During this formal consultation a single response was received objecting to the proposals. The resident believed that extending the bay would reduce forward visibility for drivers to see around the parked vehicles and be 'an accident waiting to happen'. They also requested that the existing single bay be marked as multiple individual bays, which is not Council practice in Hillingdon.
6. As there were no responses in support of the proposals and a single objection to the proposal was received it is therefore recommended that the extension to the parking place should not proceed at the present time.
