### Decision made

<b>Cabinet Members making the decision</b>	Councillor Martin Goddard – Cabinet Member for Finance Councillor Eddie Lavery – Cabinet Member for Residents' Services
	<b>Approved</b>  <ol style="list-style-type: none"><li>1. That the Cabinet Member for Residents' Services approved the total allocation of £294k Chrysalis funding for the six new projects as detailed within the body of the report, as part of the asset enhancement programme for 2023/24.</li><li>2. That the Cabinet Member for Residents' Services and the Cabinet Member for Finance agreed to the capital release request of £294k from the 2023/24 Chrysalis Programme budget to fund the six new projects as detailed within the body of the report.</li></ol>
<b>Reason for decision</b>	Hillingdon Council is striving to be the greenest London Borough, to protect and enhance the environment, and to provide a brighter prospect for future generations. Chrysalis, the Council's asset enhancement initiative, funds projects ranging in scale from £5,000 to £100,000 for local initiatives that matter to residents.  Residents are encouraged to make suggestions for Chrysalis funding as the most effective way for local people to identify environmental and community safety projects and

	<p>demonstrating how all residents can play an active part in decisions, making them proud to live in Hillingdon.</p> <p>The recommendations will enable works to commence on six projects where contractor schedule of rates and/or competitive quotes have been sourced.</p>
<b>Alternative options considered and rejected</b>	The Cabinet Members could have decided not to accept the recommendations and either some, or none of the six new projects would not proceed and realise the improvements which have been requested by residents and Ward Councillors.
