

OFFICIAL EXECUTIVE DECISION NOTICE PUBLISHED BY DEMOCRATIC SERVICES

Notice is hereby given that the following decision(s) have been made today by Cabinet Members at the London Borough of Hillingdon:

Title of decision	CAPITAL RELEASE REPORT (September 2023) Department: Place Service Area / Programme: Civic Centre Transformation Capital Programme 2023/2024: Carbon Reductions – Installation of Commulite LED Emergency Lighting System at the Civic Centre Basement Car Park RELEASE NO: 7
Reference No.	903
Date of decision	Tuesday 12 September 2023
Call-in expiry date	Tuesday 19 September 2023
Relevant Select Committee	Property, Highways and Transport Select Committee
Relevant Wards	Uxbridge

Decision made

Cabinet Members making the decision	Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport
Decision	Approved That the Cabinet Member for Finance and the Cabinet Member for Property, Highways and Transport agreed to the capital release request of £372k from the Civic Centre Transformation Capital Programme budget 2023/24 for the installation of a Commulite LED Intelligent 24v Communal Emergency Lighting System to reduce the Council's Carbon Footprint and Energy Consumption at the Civic Centre Basement Car Park.
Reason for decision	The Civic Centre basement car park had a lighting system that was identified as having a significant energy demand and high carbon footprint. In line with the goals set forth in the Council's Strategic Climate Action Plan, there was potential for making operational improvements to the basement level car park to reduce energy demands. In addition, communal and emergency lighting would provide staff with adequate means of escape in the event of a mains failure or emergency, should the location need to be evacuated or experience a power cut. The Council were required to carry

	out these recommendations to be compliant with current safety regulations.
Alternative options considered and rejected	The car park wiring circuits had failed electrical tests and replacements for the existing florescent lighting tubes was now not legally available. Delaying works carried risk as it could result in total failure of the car park lighting.
Classification	Part I – Public
