|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cabinet Members making the decision | Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport Councillor Martin Goddard – Cabinet Member for Finance |
| | Approved That the Cabinet Member for Finance and the Cabinet Member for Property, Highways and Transport: <ol style="list-style-type: none">1. Accepted the tender and approved the award of contract for the Planned Kitchen and Bathroom Renewals Phase 20 to PFL Electrical Ltd at a cost of £409,867.23; and2. Agreed to the capital release requests of £471k inclusive of contingencies and fees from the Kitchens and Bathrooms Renewals work-stream within the Housing Revenue Account Works to Stock programme 2023/24 budget for the Planned Kitchen and Bathroom Renewals Phase 20. |
| Reason for decision | <p>The proposed contract is to undertake the planned renewal of 40 kitchens and 40 bathrooms under Phase 20 of the programme. A number of kitchens and bathrooms are in a poor condition and at the end of their useful life.</p> <p>This is Phase 20 of a phased programme of kitchen and bathroom renewals which is aimed at quickly dealing with replacements, enabling the effective management of smaller work packages and reducing costs using smaller, more specialist installation companies.</p> |

|------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Alternative options considered and rejected | Moving away from the larger type of delivery contracts will enable more specialist contractors to deliver installations at lower costs. |
