Decision made

|--|--|
| Cabinet Members making the decision | Councillor Martin Goddard – Cabinet Member for Finance Councillor Eddie Lavery – Cabinet Member for Residents' Services |
| Decision | Approved That the Cabinet Member for Finance and the Cabinet Member for Residents Services agreed to the following capital release request of £80k from the Carbon Initiatives programme 2023/24 - 2024/25 capital budget for participation in the London Environment Directors Network for the pan-London climate programme (Appendix A). |
| Reason for decision | The London Environment Directors' Network (LEDNet) is a membership association across London boroughs in which Hillingdon Officers participate. It provides a forum for Councils to share learning and best practice and develop thinking on emerging policy. Representatives of London Councils have met with LEDNet to present the next phase of the pan-London climate programme. |
| Alternative options considered and rejected | There is the option to not participate in the programme. The London Councils' climate programme was launched in 2019 following LEDNet and TEC's joint statement on the climate emergency. Each of the themes are led by London's boroughs, and each brings together a range of partners to collaborate on some of our city's biggest climate challenges. To not participate |
