## Non-Key Decision request

## Form D

### HARMONDSWORTH ROAD, WEST DRAYTON - OBJECTION TO PROPOSED DISABLED PERSON PARKING BAY

Dear Cabinet Member,

Attached is a report requesting that a decision be made by you as an individual Cabinet Member. Democratic Services confirm that this is not a key decision, as such, the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 notice period does not apply.

You should take a decision **on or after Thursday 25 July 2024** in order to meet Constitutional requirements about publication of decisions that are to be made. You may wish to discuss the report with the Corporate Director before it is made. Please indicate your decision on the duplicate memo supplied and return it to me when you have made your decision. I will then arrange for the formal notice of decision to be published.

Liz Penny  
Democratic Services Officer

Signed ..... Date.....

*Cabinet Member for Property, Highways & Transport*

## HARMONDSWORTH ROAD, WEST DRAYTON - OBJECTION TO PROPOSED DISABLED PERSON PARKING BAY

<b>Cabinet Member(s)</b>	Councillor Jonathan Bianco
<b>Cabinet Portfolio(s)</b>	Cabinet Member for Property, Highways & Transport
<b>Officer Contact(s)</b>	Caroline Haywood, Place Directorate
<b>Papers with report</b>	Appendix A - Location Plan Appendix B - Plan of Proposal

### HEADLINES

<b>Summary</b>	To inform the Cabinet Member that an objection has been received to the proposed disabled bay on Harmondsworth Road, West Drayton
<b>Putting our Residents First</b>	The request can be considered as part of the Council's annual programme of road safety initiatives.
<b>Financial Cost</b>	The estimated cost associated with the recommendations to this report is £400 and will be managed within existing revenue budgets for the Transportation Service.
<b>Relevant Select Committee</b>	Corporate Resources & Infrastructure
<b>Relevant Ward(s)</b>	Heathrow Villages

### RECOMMENDATIONS

That the Cabinet Member for Property, Highways & Transport:

1. Notes the application for a disabled parking bay in Harmondsworth Road, West Drayton.
2. Considers the objection to the proposed disabled persons' parking bay on Harmondsworth Road, West Drayton.
3. Approves the installation of the proposed disabled persons' parking bay on Harmondsworth Road, West Drayton, as shown in Appendix B to this report.

## Reasons for recommendations

The formal disabled parking bay is intended to benefit disabled people by designating a parking space for the use of Blue Badge holders.

## Alternative options considered / risk management

None at this stage.

## Select Committee comments

None at this stage.

## SUPPORTING INFORMATION

1. Harmondsworth Road is a residential road within Heathrow Villages Ward. The road is used by the U3 and 350 bus routes. It has a small parade of local shops at its junction with Sipson Road. It is used as a route between West Drayton and Sipson. A plan of the area is shown on Appendix A to this report.
2. The Council received an application for a disabled parking bay from a resident of Harmondsworth Road. The applicant fully meets the Council's assessment criteria for the provision of an on-street disabled parking bay. A proposal was developed for an on-street disabled parking bay as close and safely to the resident's property, whilst maintaining as much parking for other residents, as possible.
3. Approval was subsequently granted by Delegated Officer's Action to progress this proposal to the statutory consultation stage. Formal notice was given of the Council's intentions for statutory consultation on the proposal shown in Appendix B to this report, and a 21-day notice of intent was duly published. During this period, the Council received one objection to this proposed disabled parking bay.
4. The objector stated " Firstly there is no where to park for the us residents as it is..... If you have to put one in, can you at least put it further along the road."
5. The proposed formal disabled parking bay in Harmondsworth Road would be available for any Blue Badge holder to use without time limit; although officers do not know all the circumstances of the objector; if they too have a Blue Badge, then it would be possible for them to access it on occasions. The Council continually reviews the use of on-street disabled parking bays and will consider their removal if they are no longer required due to either a change in circumstances, are reported to be unused or if the resident has moved away. The Council aims to install disabled bays as close to the resident's property as possible.
6. Disabled bays are located as close as practical to the resident who applied for its' front door, so they can easily access their motor vehicle.
7. The views of Ward Councillors were sought, and one has responded supporting the provision of the blue badge bay.

8. Whilst it is understood that the provision of Blue Badge disabled bays can lead to strong feelings both for and against their introduction. The bay is proposed where residents already park and would not restrict access to any dropped kerb or the free flow of traffic. It is therefore recommended that the Council proceeds with the installation of the disabled parking bay on Harmondsworth Road, as shown in Appendix B to this report.

### **Financial Implications**

The cost associated with the recommendations to this report is estimated at £400 and will be managed within existing revenue budgets for the Transportation Service.

## **RESIDENT BENEFIT & CONSULTATION**

### **The benefit or impact upon Hillingdon residents, service users and communities**

The proposed disabled parking bay is intended to benefit disabled people by designating a parking space for the sole use of Blue Badge holders.

### **Consultation carried out or required**

Consultation has been carried out on this proposal through a notice on site and in the local press. Local Ward Councillors have also been consulted.

## **CORPORATE CONSIDERATIONS**

### **Corporate Finance**

Corporate Finance has reviewed the recommendations to this report and concurs with the financial implications as set out above.

### **Legal**

The Council's power to make orders to implement a disabled person's parking bay is set out in the Road Traffic Regulation Act 1984. The power to create/provide designated parking places is set out in Part IV of the Road Traffic Regulation Act 1984.

The Traffic Signs Regulations and General Directions 2016 govern road traffic signs and road markings and there are no special circumstances drawn to our attention that would prevent the scheme proceeding provided that the appropriate statutory procedures are followed. The consultation and order making statutory procedures that should be followed in this case are set out in The Local Authorities' Traffic Orders (Procedures) (England and Wales) Regulations 1996 (SI 1996/2489).

In exercising any of the powers under the Road Traffic Regulation Act 1984, the Council have to consider their statutory duty to secure the expeditious, convenient and safe movement of vehicular and other traffic including pedestrians, and the provision of suitable and adequate parking facilities on and off the highway. These powers must be exercised so far as practicable having regard to the following matters:

- a. the desirability of securing and maintaining reasonable access to premises
- b. the effect on the amenities of any locality affected including the regulation and restriction of heavy commercial traffic so as to preserve or improve amenity
- c. the national air quality strategy
- d. facilitating the passage of public service vehicles and securing the safety and convenience of their passengers; and
- e. any other matters appearing to the Council to be relevant.

These powers must be balanced with the concerns raised by the objector.

Availability for any Blue Badge holder to use the disabled parking bay in Harmondsworth Road is a relevant consideration in deciding whether to make this form of order. In considering the consultation responses, decision makers must ensure there is a full consideration of all representations arising including those which do not accord with the officer's recommendation. The decision maker must be satisfied that responses from the public were conscientiously taken into account.

When making decisions, the Council should be mindful of its public sector equality duty under section 149 of the Equality Act 2010.

### **Infrastructure / Asset Management**

There are no property implications resulting from the recommendations set out in this report.

### **Comments from other relevant service areas**

None at this stage.
