### Decision made

Cabinet Members making the decision	The Leader of the Council, and on behalf of the Cabinet Member for Finance & Transformation, the Cabinet Member for Corporate Services & Property, and the Cabinet Member for Planning, Housing & Growth
	<b>APPROVED</b>  That the Leader of the Council, and on behalf of the Cabinet Members:  <ol style="list-style-type: none"><li>1. Agreed to the following capital release request of £6,599k from the Housing Revenue Account (HRA) Acquisitions 2024/25 Normal Buyback Budget for the funding of the purchase and repair of 13 properties, as detailed in the report; and</li><li>2. Agreed to the following capital release request totalling £9,787k from the HRA Acquisitions GLA and DLUHC Grant Funded Schemes Budget 2024/25 as follows:<ol style="list-style-type: none"><li>i. £2,302k for the GLA SHAPS Single Homeless and Young Persons programme for the</li></ol></li></ol>

	<p><b>funding of the purchase and repair of 7 properties, as detailed in the report</b></p> <p><b>ii. £7,485k for the DLUHC LAHF3 programme for the funding of the purchase and repair of 15 properties, as detailed in the report.</b></p>
<b>Reason for decision</b>	<p>In January 2015, Cabinet approved the implementation of a buy-back scheme for ex-Council properties.</p> <p>The scheme was approved to deliver benefits to local residents in terms of improved housing provision in the Borough. Two of the key drivers of the scheme are:</p> <ul style="list-style-type: none"> <li>a) To increase the supply of affordable housing for rent in the HRA that in turn can be used to reduce the Council's reliance on temporary accommodation, especially high-cost bed and breakfast (B&amp;B) accommodation.</li> <li>b) To apply locally in Hillingdon right-to-buy (RTB) receipts from Council house sales that would otherwise be returnable with interest to central Government.</li> </ul> <p>This decision progresses the purchase of homes under this scheme and homes where grant funding is available under the MHCLG Local Authority Housing Fund 3 programme and the GLA Single Homeless Accommodation Programme, which have short deadlines for use.</p>
<b>Alternative options considered and rejected</b>	<p>The alternative option is to not buy back the properties, with the vendors selling them privately on the open market. This would not assist the Council in increasing the supply of social housing in the Borough, or in utilising time-limited RTB receipts.</p> <p>Alternatively, the Council could offer lower purchase prices to the vendors. However, the Council is in competition with private buyers for these properties, with no leverage to compel the vendors to accept below-market prices, and the prices offered in this report have already been accepted by the vendors.</p>

### Implementation of decision & scrutiny call-in

[Internal Use only]	
When can this decision be implemented by officers?	<p>This decision was taken under special urgency procedures in the Council Constitution and deemed urgent by the Leader of the Council.</p> <p><b>The reasons for urgency are, because it involves the Council purchasing properties under two programs with tight deadlines and funding implications. Officers need to claim a £2.524 million payment by 14th February and complete the purchase of 7 properties by 31st March 2025 to secure the grant funding.</b></p> <p>Agreement that the matter was urgent and could not have been reasonably deferred, along with the waiver of the scrutiny call-in period, was also granted by the Chair of the Corporate Resources and Infrastructure Select Committee.</p> <p><b>THIS DECISION THEREFORE COMES INTO IMMEDIATE EFFECT.</b></p>
