| <b>Cabinet Members making the decision</b>                                   | Councillor Jonathan Bianco - Cabinet Member for Corporate Services and Property                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>Decision</b>                                                              | <b>Approved</b><br><br><b>That the Cabinet Member for Corporate Services &amp; Property agreed the terms for the renewal of a lease negotiated by officers as detailed in the confidential report and authorised Legal Services to complete the new lease on these terms.</b>                                                                                                                                                                                                                                    |
| <b>Reason for decision</b>                                                   | After negotiations, a nominal rental increase has been agreed in principle, resulting in an income increase for the General Fund.                                                                                                                                                                                                                                                                                                                                                                                |
| <b>Alternative options considered and rejected</b>                           | The Cabinet Member could have chosen not to approve the lease renewal negotiated. This would have probably required the lease renewal to be determined by an application to Court.                                                                                                                                                                                                                                                                                                                               |
