Decision made

Cabinet Members making the decision	Councillor Steve Tuckwell, Cabinet Member for Planning, Housing & Growth Councillor Martin Goddard, Cabinet Member for Finance & Transformation
Decision	Approved That the Cabinet Member for Planning, Housing & Growth and the Cabinet Member for Finance & Transformation agreed to the capital release request of £1,000k from the Street Lighting Replacement Programme 2025/26 capital budget for the funding of replacing lighting columns that have reached the end of their useful economic life and column painting.
Reason for decision	A current major issue is the structural deterioration of the ageing lighting column stock. The vast majority of columns in the Borough are galvanised mild steel which tend to corrode below ground level, resulting in a high risk of structural failure if continued investment is not programmed. Details of the replacement lighting columns that have reached the end of their useful economic life is in Appendix B to the report. Those where column painting is required are shown in Appendix C to the report.
Alternative options considered and rejected	<ul style="list-style-type: none">To make safe columns identified as defective and in need of replacement by cutting them down without replacement - this would leave roads without street lighting.
