This notice is a public document also available to view on the Council's website www.hillingdon.gov.uk

Alternative options considered and rejected	The Cabinet Member may agree to fund the scheme and / or suggest alternative projects to which funds could be allocated within the terms of the relevant legal agreements. The Council collects Carbon Section 106 funds for projects for those identified in this proposal. Should S106 not be used for this, then firstly the Council would have to revert to the general fund and secondly, would still have to find similar carbon saving projects to ensure compliance with the legal obligations of the fund. If the S106 funds are not allocated to an appropriate scheme, the unspent funds may need to be refunded, an outcome that does not contribute to the Council's responsibility for protecting and improving the health of our citizens.
