HILLINGDON  
LONDON

Notice is hereby given that the following decision(s) have been made today by Cabinet Members at the London Borough of Hillingdon:

<b>Title of decision</b>	<b>RURAL ACTIVITIES GARDEN CENTRE: ASSETS OF COMMUNITY VALUE NOMINATIONS – RURAL ACTIVITIES GARDEN CENTRE AND ADJOINING CAR PARK LAND</b>
<b>Reference No.</b>	1604
<b>Date of decision</b>	Tuesday 03 February 2026
<b>Call-in expiry date</b>	Tuesday 10 February 2026
<b>Relevant Select Committee</b>	Corporate Resources & Infrastructure Select Committee.
<b>Relevant Wards</b>	Colham & Cowley

### Decision made

<b>Cabinet Members making the decision</b>	Councillor Jonathan Bianco, Cabinet Member for Corporate Services & Property
<b>Decision</b>	<b>Agreed</b>  That the Cabinet Member for Corporate Services & Property:  <ol style="list-style-type: none"><li>1. Approved the registering of the Rural Activities Garden Centre site as an Asset of Community Value as outlined in red on the attached site plan in Appendix A of the associated report; and</li><li>2. Declined the nomination to register the adjoining land as an Asset of Community Value as outlined in blue on the attached site plan in Appendix A of the associated report.</li></ol>
<b>Reason for decision</b>	The Cabinet Member duly considered the report and noted that the Council had received nominations to list both sites as Assets of Community Value, and the groups submitting them were considered eligible to make valid nominations. In assessing the statutory tests, it was concluded that the Rural Activities Garden Centre (RAGC) had clearly been used in a way that furthered the social well-being and interests of the local community, and that such use could realistically continue. For this reason, the nomination to list the RAGC site was accepted by the Cabinet Member.  The adjoining land, however, had only provided ancillary benefit as overflow parking when the RAGC operated as a

	<p>public-facing site. As open public access was no longer proposed, the land no longer served a qualifying community function. Being currently only a grass field, with no realistic prospect of future qualifying use within five years, it did not meet the statutory tests. Consequently, the nomination for this site was rejected by the Cabinet Member.</p> <p>It was also recognised that the statutory deadline for determining the nominations had already passed. Further delaying or refusing the RAGC listing risked legal challenge, whereas the adjoining land posed significantly less legal risk due to its failure to meet the qualifying criteria. Therefore, the Cabinet Member agreed both recommendations in the report.</p>
<b>Alternative options considered and rejected</b>	<p>The option of refusing the RAGC nomination was rejected because the site met the statutory tests for listing. Accepting the nomination for the adjoining land was also rejected, as the land no longer served a qualifying community purpose, had no realistic prospect of such use within five years, and therefore did not meet the statutory criteria. Doing nothing was rejected as well, since failing to respond to the nominations would have exposed the Council to unnecessary risk.</p>
