Decision made

Cabinet Members making the decision	Councillor Eddie Lavery – Cabinet Member for Finance Councillor Wayne Bridges - Cabinet Member for Residents Services
Decision	Agreed That the Cabinet Member for Finance, in consultation with the Cabinet Member for Residents Services, agreed to the capital release request of £400k from the Highways Bridges & Structures 2026/27 budget to support the schemes outlined in the report (Appendix A).
Reason for decision	The projects listed in the report will limit the deterioration and preserve the structural integrity of the highway structures avoiding any undue failure of the structural elements. The works will improve the condition of the structures and the highway network. These works will be undertaken by the Council's Highways Term Service Contractor.
Alternative options considered and rejected	The work is vital as it entails the identification of structural deterioration and the preservation of the structural integrity of highway structures. Therefore, it was decided that these projects must be progressed without delay to maintain the structural integrity of the Council's highway structures. There is no alternative but to carry out the work because, if left undone, there would be health and safety implications.
